“ I take comfort in the fact she didn't go alone. I can see Charlie coming and telling her it was okay for her to go. She was so strong and Charlie helped everyone. I can see them taking the stroll together. They will both be missed. I believe they are not alone and will be awaiting everyone.

“ Sandy, Andy, David, and Suzie my heart goes out to you all and your families. Your mother was such a special person and one of the most loving and caring people that has ever been a part of my life. I treasured our time together. I will miss her so, as I know you all will too.

Dearest Sandy I don't even know what to say to you as you face the passing of the 2 most important people in your life. Just know that I am thinking of you constantly and pray for strength to get you through this.
